

The Devils Daily

Breast Cancer Awareness Edition

Pink is the new black: Breast Cancer Awareness at GFH

Advertising by: Chelsea Bergmann, Devils Daily Supervisor

Special points of interest:

- Students of the Week announced!
- Learn more about Breast Cancer research and awareness
- Wearing pink in honor of or in memory of the fighters

Pink is the new black and orange this October. As many know, October is Breast Cancer Awareness month and Great Falls high school students and teachers are working hard to bring the community together to fight the good fight.

The Devils Daily staff, Beta Club, Yearbook, and many more have teamed up to make October 21st Breast Cancer Awareness Day in Great Falls. Today, has been designated PINK OUT Day by our Yearbook staff and students and teachers are encouraged to go all out with pink pride. The goal is to raise awareness of Breast Cancer as well as recognize those who are fighting, those who survived, and those who lost the battle against this terrible disease. Wearing tutus, painting faces, pink, and

pink ribbons are highly recommended. To make the day even more exciting, the fourth block class that shows the most PINK OUT pride will win pink Krispy Kreme donuts for the class!

In addition, The Devils Daily staff will be hosting a PINK Nightmare Fall Festival meant to capture the spirit of the Halloween holiday and the fight against Breast Cancer. The festivities will begin at 5:30 today at the Great Falls high school football field and will include a variety of fall fun. Expected at the event is a short haunted trail starting at 7:30, for a small fee of \$3, a raffle, food, treats for sale, kiddie games, and much, much more.

Price for admission to the festival is \$6 for adults and \$4 for children 12 and under. Any child under 5 years of age will be free! In addition, children 12 and under are encouraged to dress in costume as there is

expected to be a Trunk-or-Treat hosted by the local churches.

Much hype has spread around about these events and students and teachers are very excited to see how the night goes.

If you have any questions please email myself or any Devils Daily or Yearbook staff member (cbergmann@chester.k12.sc.us). Donations are also welcome for the special fall event as fifty percent of proceeds will go to Breast Cancer research.

So come on out tonight and get ready to paint Great Falls pink with pride!

Tickets & Fees:

- Adult Entry Fee: \$6
- Children 12 and Under Fee: \$4
- Children Under 5: FREE
- Raffle Tickets: \$1 each or 3 for \$2
- Short Haunted Trail Fee: \$3
- Baked Goods and Treats: 25 to 50 cents

Help make the fight against breast cancer easier

Published and Edited by: Hunter Litzenberg Photos by : Hunter Litzenberg—Great Falls High School--- 10/20/16

The month of October is here to honor, admire, and support those who have survived, those who are fighting, and those who have lost their life to breast cancer.

Cancer is the over-production of cells; Breast cancer forms in tissues of the breast.

About one in five cases of breast cancer is diagnosed as non-life threatening. Breast Cancer actually is not life threaten until it starts to spread to vital organs.

According to the American Cancer Society, "Every 2 minutes a woman in the United States is diagnosed

The survival rate for women was sixty-three percent in the nineteen sixty's, while today the survival rate has raised to eighty-nine percent. American Cancer Society reports that "the breast cancer death rate is down 34% since 1990."

Breast Cancer awareness is being shown all

over the country.

Banks, fast food restaurants, stores and more sell, decorate, and give away prizes such as pens, notepads, stickers, plates, etc.

Many stores such as Walmart, Target, and K-Mart have a whole aisle dedicated to breast cancer themed items.

People around the world also wear the pink ribbons and pink shirts either to show support or to honor a family for friend that has lost their life to cancer, they could also celebrate a loved one's fight against cancer.

There are also 5k walks to raise money to help find a cure for cancers worldwide.

In order to do our

part, the Devils Daily news staff is having a Breast Cancer Awareness and Halloween mash up festival to raise money for Breast Cancer Research. In addition, the Great Falls High Yearbook staff is hosting a Pink Out Day to raise awareness and school spirit.

Breast Cancer is a serious disease; helping just a little goes a long way.

Find something in your community that helps raise awareness for breast cancer and go lift up any people that are fighting.

Hope and Courage is what it takes

Real Men Wear Pink!

Each month of the year brings a variety of causes promoted by groups and organizations to bring awareness. October marks Breast Cancer Awareness Month, which is represented by the pink ribbons and parades in honor of the victims and survivors.

Everyone is wearing pink in honor of the victims of breast cancer, from survivors to even the NFL, which has teamed up to help raise

awareness of the disease.

The players are wearing pink cleats, arm bands, and even making the pig skins themselves pink! In 2011, the NFL started A Crucial Catch, in partnership with The American Cancer Society, to en-

courage women, especially women 40 or older, to get regular screenings. In addition, pink gear worn by players this month will be auctioned off at the NFL auction, with the proceeds going to The American Cancer Society.

According to NFL online, on October 25th, 2016 community health system partners are teaming up with the NFL and the American Cancer Society to provide breast cancer screenings at little to no cost within underprivileged communities. Great to see these guys and girls raising awareness for such a great cause!

Story By: Kayla Coleman-Great Falls High School-Photo and Editor-October 20, 2016

I'm a Survivor

The month of October is not only famous for Halloween, but also because it is Breast Cancer Awareness month. This month, many people may celebrate someone who has survived breast cancer, stand beside someone who is going through it, or honor those who have lost the fight with it.

Sadly, 1 in 8 women will develop breast cancer in their lifetime, according to *Breast-Cancer.org*. Over 246,000 new cases of Breast cancer are expected to be diagnosed in women in the United States alone. This is a serious type of cancer that is common in women.

There are some who lose the battle with breast cancer, but they are never forgotten. Many people may honor them by lighting candles, others walk for a cure for breast cancer, or

Breast Cancer Awareness walk at Regal Medical Center.

even donate to organizations for breast cancer awareness.

Thankfully there are some who win the fight against Breast Cancer and continue to live normal lives.

Those who survive the battle against breast cancer are fighters. We stand and fight with them along side for a cure.

STUDENT OF THE WEEK

OCTOBER 20, 2016

VOLUME 2, ISSUE 9

Congratulations Breanna Burchett and Jon Lyles on Student of the week!

Breanna Burchett, an 11th grader was nominated student of the week by biology teacher, Ms. Megan Fulks.

Ms. Fulks chose Burchett because she is a respectful young lady, and puts forth A+ work. Burchett always comes to class on time and prepared.

If Burchett could have any one dream to make or do something she would make more animal reservations to

stop animal cruelty, poaching, and at the same time allow a safe and comforting place for the animals to live.

Burchett loves chicken Caesar salads and coming to school to learn.

Stay on the devil level Breanna and keep up the hard work.

Ms. Megan Fulks, biology teacher also nominated 12th grader, Jon Lyles, for male student of the week.

Lyles participates in class daily and is always willing to help others in class. He is a respectful young man and is

a pleasure to have in class.

Lyles' favorite subject in school is science because it has always been interesting to him.

Playing guitar is his favorite outside of school activity because he enjoys making music.

At a young age Lyles started going to concerts with his dad. Lyles soon got into the same type of music and learned how to make his own on the guitar.

Congratulations john! Great job on being red hot!

And Facebook!

Hello, from your Devils Daily Staff! We welcome you to the 2016-2017 school year and hope you are ready to get on the devil level. We are a school organization and represent Great Falls High School and the surrounding community. We welcome you to read our news and blogs and encourage you to be engaged and informed.

Our mission as ethical journalists is to learn all we can about reporting the truth, the whole truth, and nothing but the truth. We hope you find our weekly updates helpful and informative.

We are always looking for feedback, so if you have an suggestions or comments, please let us know by emailing our Staff Supervisor or sending us a message through Facebook!

Thanks and as always, remember to get on the DEVIL LEVEL!

Always remember...to get on the **DEVIL LEVEL!**

Left to right: Corey Roof, Cierra McIlwain, Hunter Litzenberg, Camryn Patterson, and Kayla Coleman.

This issue of the Devils Daily is especially dedicated to my Nana, Mary-
Ellen Bergmann, to all those who fight against Breast Cancer everyday,
and to those who are no longer suffering—both with us and above us.

**Have some fun and support
Breast Cancer Research by coming to**

The fun starts at 5:30 and ends at 10:00!

The event will include:

- **Fall Children Games and Activities**
- **Pumpkin Painting Competition**
- **A Short Haunted Trail**
- **Food**
- **Treats...**

...And much, much more!

Ticket Prices:

Adult Tickets - \$6

Children 12 and Under - \$4

Children Under 5 - FREE

Children 12 and under are encouraged to come in costume!
